

Letter of Approval "My Technic Aircraft MRO Services"

Approval No.: AMO.MT.IST.10

Pursuant to Civil Aviation Regulations in force, and subject to the conditions included herein, "My Technic Aircraft MRO Services", whose principal place of operations is **Sabiha Gokcen Airport, 34912 Kurtkoy-Pendik, Istanbul, Turkey** is approved to perform maintenance on aircraft components and/or aircraft as appropriate, and issue related Certificate of Release to Service using **CARC Approval No. AMO.MT.IST.10**.

Conditions/Limitations:

1. This Approval is limited to the following scope of approval:

Class	Rating	Limitation	Base	Line
Aircraft	A1 Aeroplanes above 5700 kg	B737-300/400 Equipped with engine (CFM 56-3) Airbus A310-300 Equipped with engine (GE CF6-80) Airbus A320 Equipped with engine (CFM 56-5)	X	X

2. Should any contradiction between the Organization's approved procedure and Jordan Civil Aviation Regulations (JCAR); JCAR will prevail,
3. This approval requires compliance with the procedures specified in the EASA approved Maintenance Organization Exposition (MOE) and the CARC Supplement to the MOE, and is only valid whilst My Technic remains in compliance with the EASA terms of approval and EASA Approval Certificate Reference EASA.145.0412,
4. The maintenance work shall be performed in accordance with the up-to-date maintenance and technical manuals,
5. My Technic shall report to Jordan CARC within 72 hours after it discovers any serious defect in, or other recurring un-airworthy condition of an aircraft, powerplant, or any component of any of them. The report shall describe the defect or malfunction completely without withholding any pertinent information,
6. My Technic shall report to Jordan CARC in case of repair or change of categories identified in Section 13.09, items (1), (2) and (3) of the CARC Supplement to the My Technic MOE. Report shall be attached with the state of design/manufacture approved data and shall be approved by Jordan CARC before being effective, and
7. My Technic shall report the changes to its approved procedures whilst this approval is valid for Jordan CARC acknowledgment.

Validity: Subject to compliance with the foregoing conditions and limitations, this approval is valid until **21 February 2012**, unless previously surrendered, suspended or revoked by Jordan CARC.

Renewal: Renewal of this approval is subject to a new application submitted by a Jordanian Operator and the AMO, and after a satisfactory comprehensive audit conducted by Jordan CARC.

Capt. Suleiman Obeidat
Chief Commissioner
